

# CONTRACTOR'S RESPONSIBILITY ACKNOWLEDGMENT FORM

1. The contractor shall contact Pennsylvania One Call System, Inc. (1-800 242-1776) before any digging, to locate any underground utilities, entering the Utility Inspection Number here: \_\_\_\_\_.
2. No vehicle shall be driven off paved areas.
3. At no time may contractors use golf-cart or walking paths. Nor may contractors use the golf course for aces to Village property.
4. All debris and leftover material will be removed by contractor. The Homeowners Association and Hershey's Mill Landscape Company will not remove or take any construction waste.
5. Contractor will not dispose of any debris on Hershey's Mill property or in any Dumpster belonging to the Homeowners Association or the Hershey's Mill Master Association.
6. Any damage done to the Common Area, including pipes and electric, telephone or television cables, shall be the total responsibility of the contractor to repair.
7. All planting around electric transformers shall conform to PECO planting guidelines. Adequate space should also be left near electric meters to facilitate meter reading.
8. No work shall begin without full approval of the Village Landscape Committee.
9. Contractor must submit Certificate of Insurance to the Homeowners Association Managing Agent before work begins.

I have read and understand this Acknowledgment Form and will comply with all of the above.
